11	Dave Mensher		Al Francis	21

The diagram illustrates a 2x4 grid structure with three rows. Each row consists of four rectangular cells. The central cell of each row is highlighted with a thick black border. Above and below each row are two rectangular boxes, one on the left and one on the right, which are part of a larger structure. The top row has boxes above and below. The middle row has boxes above and below. The bottom row has boxes above and below.
